Management and staff of Zimbabwe National Family Planning Council congratulates the newly appointed members of the Zimbabwe National Board of Family Planning.

The team at ZNFPC welcomes you and stands ready to follow your lead in directing the course of the national family planning program which is an envy within the Southern African Region.

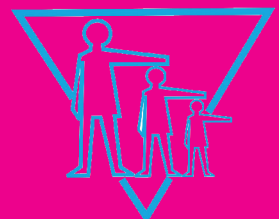

The Council endeavours to improve the country's family planning program outlook in support of the Government of Zimbabwe's national, regional and international commitments.

To the board, we say:

Makorokoto! Amhlope! Congratulations on your appointment.
Tigashire! Sethule! Welcome
